#### 1. Applicable terms and conditions

The purchasing terms below are applicable upon the buyers ("Släpis") purchase of goods from the supplier ("Seller"), unless otherwise is agreed between the parties. Any general conditions on the part of the Seller shall not apply, even if Släpis does not oppose their validity as such.

#### 2. Conclusion of the contract – order and acceptance

Supply contracts (order and acceptance) as well as alterations and additions thereto must be in writing.

Should the Seller not accept the order within a period of three (3) weeks from receipt, Släpis has the right to cancel the order.

#### 3. Payment

Payment shall be made within thirty (30) days from the receipt of the invoice. The due date for payment according to the invoice does not start to run before the goods have been received, unless otherwise agreed. #### 5. Delayed delivery

Should the Seller have reason to believe that delivery cannot take place within the agreed time, the Seller must immediately notify Släpis about the delay and inform Släpis of a new delivery date. Failure to leave such notification will make the Seller liable for all such damage that Släpis could have avoided, should notification have been given accordingly.

In case of delayed delivery, regardless of shown damage, Släpis is entitled to a penalty payment for each started week of delay, amounting to 1 % of the purchase price of the delivery in question, but not exceeding a total of 10% of the total purchase price.

Upon the expiration of a reasonable additional time, or always after five weeks of delay, Släpis is entitled to fully or partially cancel the order.

Should the delay cause Släpis any damage, the Seller shall compensate Släpis for all direct and indirect costs incurred in relation thereto, to the amount exceeding the penalty payment.

#### 6. Intellectual property rights

The Seller guarantees that the goods delivered do not infringe on another's intellectual property rights. Should any claims be

brought upon Släpis due to the infringement of third party rights linked to the Sellers goods, the Seller is obliged to keep Släpis indemnified as a result of these claims by, for instance, taking appropriate measures at its own expense.

Unless otherwise agreed, the Seller shall not later than at the time of delivery supply Släpis with the documentation, as described above, in Swedish, to the extent appropriate to the nature of the goods and, on request, provide Släpis with copies of these documents.

Should any damage be caused to Släpis as a result of the Seller's failure to comply with the requirements above, the Seller shall compensate Släpis for all direct and indirect damages incurred in relation thereto.

Should Släpis choose to request redelivery, the Seller is obliged to promptly deliver new and faultless goods.

In the event redelivery is not eligible or does not take place within the reasonable additional time, as announced by Släpis, Släpis may at its own discretion demand a price reduction corresponding to the defect, or cancel the purchase. If the purchase is canceled the Seller shall compensate Släpis for any damage.
